Dear Sirs,

Commons Registration Act, 1965
Broxhead Common
Register Unit No. CL 147

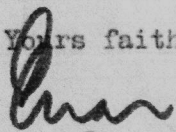

Thank you for your letter dated the 30th. March and it is noted that you wish to receive the finalised Common Rights on the above register unit over the land west of the Sleaford/Lindford road.

For your information I have to inform you that the Final Disposal Notice has not yet been received from the Commons Commissioner and the Common Rights are still provisional in my register.

With regard to the land lying east of the Sleaford/Lindford road, the Whitfield v. Connell case has been heard and agreement reached but here again no notification has been received from the Commissioner.

As soon as I finalise the Common Rights on this register unit copies will be forwarded to you.

Yours faithfully,

for County Secretary
