Attn: Mr D Pryke

Dear Mr Pryke

THE HAMPSHIRE (EAST DISTRICT NO 1160
(PARISH OF HEADLEY - PARTS OF BRIDLEWAYS NOS 4 AND 46)
PUBLISH PATH DIVERSION ORDER 1990

Thank you for your letter reference R405/43/DP/HB dated 3
October 1990 sent to BHS at Kenilworth

I must continue to object as done by my predecessor Mrs Potter
both in her letter of 1st March, and subsequently at the Public
Enquiry at Headley on 21 March 1989.

The facts of the matter have not changed, as this is a
repetition of the previous enquiry brought about by a mistake
in the order by yourselves

Mrs Anne Childs, further to her telephone conversation with you
this morning wishes to object, but was quite correctly informed
she would be too late, as her letter although dated 6th
November, would not arrive in your office until 8th November.

I should like to mention this for the record, and take the
opportunity on objecting on her behalf as a BHS member

I respectfully point out to the Principal Rights of Way
Officer, that the obstruction mentioned at the enquiry, and
recommended by the Inspector Captain G F Lassett to be removed,
has not been removed, and for the purpose of this order should
be removed.

The British Horse Society would like the Bridleway to be
cleared.

Thank you

(Mrs) Grace Ritchie
County Bridleways Officer
