Dear Sir James,

Thank you for your interest and suggestion regarding SPS and CLA which I will certainly put into operation. I enclose a reply from Barry Bissett and my reply to him.

I don't seem to be making much progress do I. As the MCC is the joint authority regarding Broomfield, how can one persuade them to act against the interests of their landlord and/or the unjustified fears of the SCC. How can we maintain our rights in law when the authority who should enforce it refuses to do so.

Yours sincerely

Maureen
