*Mrs M. Comber,*

Thank you for your letter of 22nd September with the sad and long saga of Broxhead Common.

I remember it cropping up many years ago when I was involved with the Rights of Way.

I am slightly encouraged by paragraph 20/ of the Inspector's Report where he quotes "a healthy mutual respect between the Rights of Way Officer and the objectors." I am passing the whole correspondence to Mr Colin Bonsey, the Recreation Officer, for his action.

I do feel most strongly for you all that there should be a rideable north/south access.

*Yours sincerely  
Sir James Scott*
