PUBLIC PATH DIVERSION AND DEFINITIVE MAP AND STATEMENT  
MODIFICATION ORDER 2021**

---

This Order is made by Hampshire County Council (“the authority”) under Section 119 of the Highways Act 1980 (“the 1980 Act”) because it appears to the authority that in both the interests of the public and of owner of the land crossed by the public rights of way described in paragraph 1 of this order, it is expedient that the line of the path should be diverted.

This Order is also made under section 53A(2) of the Wildlife and Countryside Act 1981 (“the 1981 Act”) because it appears to the authority that the Hampshire Definitive Map and Statement of Public Rights of Way (dated 15<sup>th</sup> December 2007) require modification in consequence of the occurrence of an event specified in section 53(3)(a)(i) of the 1981 Act, namely, the diversion (as authorised by this order) of a highway shown or required to be shown in the map and statement.

Barry and Michael Boyson have agreed to defray any compensation which becomes payable in consequence of the coming into force of this Order and any expenses which are incurred in bringing the new path into a fit condition for use by the public.

East Hampshire District Council has been consulted as required by Section 120(2) of the 1980 Act.

**BY THIS ORDER:**

1. The public rights of way over the land situated at Selborne and Worldham shown by a bold continuous line on the map contained in this Order and described in Part 1 of the Schedule to this Order shall be stopped up when Hampshire County Council has certified that the work necessary to bring the site of the new footpath and bridleway, specified in paragraph 3 below, into a fit condition for use by the public has been carried out, and thereupon the Hampshire Definitive Map of Public Rights of Way (dated 15<sup>th</sup> December 2007) shall be modified by deleting from it those public rights of way.
