Dear Sir/Madam,

The appeal against the Chief Commons Commissioners' decision on Broxhead Common East is due to take place in London sometime during the first 2 weeks of November. It has been decided to brief Counsel, and Mr John Mills QC will represent the Commoners again.

It is hoped that some of the Commoners, and others interested will be able to go to London to hear the argument. If you require Transport and will let me know, I will try to arrange it.

You will be pleased to hear we have paid off the deficit on our account entirely (balance sheet due shortly), and we shall now have to think of ways of raising money to cover the appeal costs. Please contact me concerning the above by return.

Yours faithfully,

J.H. Ellis.
Chairman.
