No. 47

Mr. Robinson informed the meeting that he had investigated two complaints received regarding difficulties experienced by horse riders in opening the four gates on this path. He had discussed the matter with Mr. Porter, Manager of Headley Wood Farm and it was agreed that until the gates were replaced later in the year, they would be left open. The complainants had been informed of the decision.

Footpaths map

In order to acquaint members of the public of the details of all footpaths in the Parish it was agreed that Mr. Robinson would investigate the possibility of having the map reduced to double A.4 size.

RESOLVED that if this could be done to recommend to the Council that it be included in the annual report next year.

Possible encroachment on the highway at Mill Lane
Following discussion of a complaint concerning possible encroachment on to the highway by the erection of a new fence south of the entrance gate to Wellfield House, it was RESOLVED to draw the attention of the Surveyor to the situation.
