

necessary to mark the posts in order to give a clear indication of the route. However, the point raised by Mr. Ellis would be looked at as the exercise continued.

On the general question of waymarking the Chairman reported that a total of 25 paths had been marked to date by his volunteer helpers.

The meeting expressed appreciation to this band of public spirited people

iii. No. 31 Repairs to surface

Noted that the District Council had completed the work.

iv. No. 48 Temporary diversion

Noted that the County Secretary, Hampshire County Council had been advised that Mr. Willis was authorised to conduct correspondence on behalf of the Council.

v. Maintenance

The District Council was provided with a list of paths on which regular maintenance was considered necessary.

The north end of No. 48, together with No. 23 which lies in Kingsley Parish, had recently been cleared.

Complaints were considered regarding difficulties experienced by horse riders in negotiating Bridleway No. 47 due to fixed gates on the route

RESOLVED

Mr. Robinson be asked to investigate and report back.
