Dear Mrs. Comber, you were enquiring as to the conditions upon which part of Broxhead Common is leased to the County Council.

I have taken instructions from our Estates Practice who advise that as a condition of the lease, the Council is 'not to use or permit to be used the Common or any part thereof other than for a nature reserve within the meaning of section 15 of the [National Parks and Access to the Countryside Act 1949] and for incidental use by the public for air and exercise'

Part of the land is sub-let to the Lindford Sports Association who must 'use the land only for the purpose of the playing of cricket and football and other sports and for associated recreational purposes'.

The lease to the County Council runs until 23 May 2016 and the sub-lease to 26 April 2016.

I trust this information is of use.
