Dear Sirs

RE: YOUR CLIENT - MRS M COMBER  
HEADLEY PARK PISTOL AND RIFLE CLUB

SO23 8UJ

Telephone

I refer to your letter dated 23rd May 1996 which has been forwarded to me by our Area Surveyor. I was sorry to hear of the problems experienced by your client.

01962 841841

Facsimile

However, I do not consider that the Highway Authority has been in breach of its statutory duty in this case.

I note from your letter that you regard your client as a member of a class, namely that of highway user. With respect, it would appear that your client is "abnormally sensitive". Our Area Surveyor has confirmed that no reports or complaints have been received from highway users in connection with problems at this site.

If you consider that a tort has been committed by the rifle club, then your action must lie against the tortfeasor.

Yours faithfully

For Chief Executive
