Dear Mrs Comber

HARDINGS RIDE/HEADLEY PARK RIFLE AND PISTOL CLUB

Thank you for your letter dated 30 June 2000 confirming the details of our recent meeting 'on site'. I shall certainly endeavour to rectify the problems which were pointed out to me relating to the safety of riders using Hardings Ride.

I am grateful to you for the information relating to a possible bridleway route near Headley Park Rifle and Pistol Club. I have passed the information to my colleague Alex Lewis who manages the legal record of public paths. It will be necessary for a formal application to be submitted before the possible existence of bridleway rights can formally be investigated. Perhaps you could liaise directly with Alex on this matter.

Finally, I must thank you for your kind words of welcome. I hope we can work together to improve routes for riders in Hampshire.

Yours sincerely

Andrew Smith
