Dear Mrs Comber

E-mail

Claim for Bridleway, Headley

Thank you for the notices and other material which together have been registered as claim 694.

Unfortunately as this section has somewhat of a backlog of claims it will be sometime before this claim is investigated. You will be informed when the investigation commences.

To be fair to all claimants, we are unable to take claims out of turn unless there is some development that directly affects the route. Please let me know if you learn of any such development.

Yours sincerely

Sally Plummer
