

Instantly revitalise tired jumps ready for the new season!

Equitility, the Jump and Training Banner people, have just introduced their new Club Range as an economical way of buying multiple banners – the easy way to spruce up tired looking jumps ready for the new season ahead. There are 4 sets to choose from which have been carefully made-up to give a useful variety of double sided jump fillers combining bright, colourful show jump designs (including a wall) with bold cross-country prints of logs or tyres. Sets include the ever popular 'skinny' and banners are printed on either Equi-Vinyl or Equi-Mesh. 'Club 4' from the Club Range even includes a 'custom' banner, perfect for printing your logo on! And remember, Equitility Jump & Training Banners are more than just jump fillers, they can be used to simulate a watertray, make a surface change to step over, create narrow spaces to pass through... Go to www.equitility.com and visit the on-line shop or call 01442 822064

Equitility Club Range

Equitility Jump & Training Banners start from £75 inc VAT, Club sets start from £334 inc VAT
