HORSES NEED HELP

LOANING A HORSE OR PONY

It is our aim to **RESCUE, REHABILITATE** and **LOAN** our animals.

To protect our animals we have Application Forms, Guidelines and a Legal Agreement.

We ask you to read them thoroughly and consider carefully **BEFORE** applying for one of our Horses or Ponies.

WE are looking for the best home possible for each individual animal.

WE expect **YOU** to do as well - or better than we can because **YOU** should be able to give **INDIVIDUAL** attention.

We are trying to erase the 'I can do you a favour by taking a Horse' attitude. Each one of our animals has suffered stress and trauma. We have given time, patience and often great expense so that each animal may be re-homed with caring and responsible people who will respect our rules and accept our permanent involvement with what will always be our animal.

If you really feel able to commit yourself and adhere to our regulations then **READ** the **GUIDELINES**, complete the **APPLICATION FORM**.

We require a DONATION of:	£60.00 for 14 h.h. and over.
We require a DONATION of:	£50 for under 14 h.h.
We require a DONATION of:	£15 for a Companion (NOT RIDEABLE)
Once a Year RENEWAL of:	£20.00 per animal.

If **YOU** wish to rescue, visit **ASHFORD & READING HORSE MARKETS**

Please enclose a Stamped Addressed Envelope.

Thank you.
