COMMONS ACT 2006 – SECTION 38

PROPOSED WORKS ON PADWORTH COMMON, WEST BERKSHIRE APPLICATION REFERENCE NUMBER COM 292

Thank you for your letter commenting on the above application.

We have noted your views, and will take them into account when considering the case. As mentioned in the public notice, we will send a copy of your letter to the applicant for information.

Having considered the application and all the correspondence relating to it, we have decided to hold a public inquiry into the application. We will make arrangements for the inquiry to be held as soon as possible and will write to you again when the date and venue are confirmed.

Guidance Sheet 3 on our website contains information about the inquiry process. We must give you, and all other interested parties, at least six weeks' notice of the inquiry date.

The Inspector may, if he chooses, hold a pre-inquiry meeting. This would determine the matters to be addressed and the procedure to be followed at the inquiry. If the Inspector decides to hold a pre-inquiry meeting, you will be invited to attend. We will give you at least two weeks' notice of the arrangements.

Yours sincerely

Mrs Christine Griffie
Common Land Casework Officer
